1. Claims 1, 3, 4, 6-8, and 11 are allowed. Claim 1 is independent.
2. The amendment to the specification filed with the RCE has been approved by the examiner.
3. The following is an examiner's statement of reasons for allowance:

Claim 1 as amended includes new limitations, i.e., "the light source is mounted on an end of the principal surface of the substrate in the primary scanning direction", the case being provided with "a first partition wall for separating the light source and the sensor IC chips" in addition to a second partition wall for separating the light guide and the sensor IC chips, and "the first partition wall is held in contact with the principal surface of the substrate". The examiner agrees with Applicant on the remarks that these new limitations are not taught by Saito (US 6,512,603), or by Saito in view of other prior art references of record, including Furusawa et al. (US 6,357,903) (see remarks, page 6-7).

Claims 1, 3, 4, 6-8, and 11 depend on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2625
